

## **634-636 San Anselmo Avenue (Building Bridge 2) and Flood Mitigation Meeting**

The Town is hosting a community meeting to discuss potential plans for the building at 634-636 San Anselmo Avenue (Building Bridge 2) and flood mitigation related to the San Anselmo Flood Risk Reduction Project. This meeting will provide the public with information on the Real Estate acquisition and Relocation Assistance processes should an EIR be approved for a downtown flood mitigation project that includes the Building Bridge 2 alternative and describe potential impacts to tenants and the downtown.

Attendees will view project displays, talk with project team members, hear a brief presentation, and have the opportunity to ask questions of Real Estate and Relocation Assistance specialists and provide input.
